Matt

Kenneth, Anna, Lam, and I have reviewed the response to comments and the redline version of the following documents submitted on November 24, 2015.

- RI/FS Workplan
- RI/FS Field Sampling Plan (FSP)
- RI/FS Quality Assurance Project Plan (QAPP)

A few of the responses indicate that the comments will be addressed after the first iteration. We will revisit these points again after the first iteration and discuss as needed so that they are addressed.

We do not have any additional changes to these documents at this point so please finalize these plans and submit the final plans to us.

Please let me know if you have questions.

Note: I will be on leave starting Dec 2<sup>nd</sup> and back at work on Dec 28<sup>th</sup>. If you have any questions in the meantime please contact my supervisor, Carlos Sanchez (he is copied on this email). Thanks.
